ONE TEASPOONFUL OF

Rexall Cherry Juice Cough Syrup

Will stop a coughing spasm. One bottle will cure any cough. Coughs are due to an inflamed condition of the membrane of the throat. The action of Rexall Cherry Juice Cough Syrup is exerted directly upon the mucus membranes which line the throat and air passages. This specific action causes an increased flow of the gland secretion which bathes the inflamed parts. Children take it without coaxing because of its very pleasant taste.

These are facts and to prove our unbounded confidence to you we positively guarantee every bottle to cure, and if it does not give satisfaction come back and get your money. It belongs to you and we want you to have it. Remember that your cough today may be pneumonia tomorrow. You want a remedy that will cure your cough quickly, and Rexall Cherry Juice is the article.
